

LINOTYPE IMPROVEMENT SHEET

NO. 326

E-5738 ASSEMBLED

OLD CONDITION

E-5968 ASSEMBLED

NEW CONDITION

WISE JAW (L.H.) AND SWITCH (SAFETY) (HYDRAQUADDER)

The Left Hand Vise Jaw and Switch has been redesigned so that the actuating tip will contact the front side of the Matrix instead of the center, for improved operation.

APPLIED IN FACTORY TO MODELS

All Models with Hydraquadder.

OUTSTANDING MODELS

Can be applied to all Outstanding Models equipped with Hydraquadder.
